**Re: *People v. Darlene Vargas***  
**Case No. S203744**  
**Errata Sheet**

Frank A. McGuire Clerk  

---

Deputy

Dear Mr. McGuire:

I wish to request to make the following corrections in the document titled, **“Appellant’s Partial Opposition to Respondent’s Motion for Judicial Notice; Appellant’s Motion for Judicial Notice.”** These corrections relate solely to references made to appellant’s opposition to respondent’s motion for judicial notice. Appellant requests that the document be treated as **“Appellant’s Motion for Judicial Notice.”**

Please delete **“Appellant’s Partial Opposition to Respondent’s Motion for Judicial Notice”** appearing on the cover of the document, and leave **“Appellant’s Motion for Judicial Notice.”**

On page 1, please delete the following from paragraph 1: **“Appellant Darlene A. Vargas, through counsel, objects to respondent’s request that this Court judicially notice the transcript of the plea hearing in case number KA043362, attached to its motion as Exhibit A. Pursuant to California Rules of Court, rule 8.252(a), and Evidence Code sections 452 and 459, appellant also moves this Court to take judicial notice of the following document:”**

On page 1, please delete the following from paragraph 2, and replace the word **“are”** with **“is:”** **“This motion and partial opposition are (“is”) based upon the attached memorandum of supporting points and authorities, the attached exhibits, the supporting declaration of counsel, and the record in this matter. Appellant is filing her reply brief on the merits, concurrently with this opposition and motion, and she has incorporated and referred to the attached documents in said brief.”**

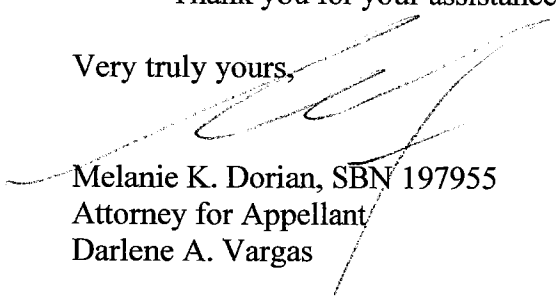

On page 11 of the document, in the final paragraph appearing in the Conclusion section, please delete the following: **“For the foregoing reasons, appellant respectfully requests that this Court deny respondent’s motion for judicial notice of the plea hearing in**

~~the prior case, and, in the alternative, grant appellant's motion for judicial notice of the documents referenced herein."~~

In Counsel's Declaration under Penalty of Perjury, please delete the reference to appellant's "partial opposition to respondent's motion for judicial notice" at the top, and in the last paragraph, on lines 1 and 2.

Thank you for your assistance in this matter.

Very truly yours,

Melanie K. Dorian, SBN 197955  
Attorney for Appellant  
Darlene A. Vargas
