Re: People v. Arturo Juarez Suarez
No. S105876
Notice of New Authorities

Dear Mr. Navarrete,

Please bring to the Court's attention the following cases that have been decided since briefing was completed in the above-entitled case:

1. Argument IV. F (error related to the dismissal of prospective juror D. B.) *People v. Armstrong* (2019) 6 Cal.5th 735 (Not all who oppose the death penalty are subject to removal; those who firmly believe that the death penalty is unjust may nevertheless serve as jurors in capital cases so long as they state clearly that they are willing to temporarily set aside their own beliefs in deference to the rule of law);

2. Arguments VII & VIII (coercive and deceptive interrogations of appellant) *People v. Leon* (2020) 8 Cal. 5th 531 (conditions under which Miranda waivers are recognized, whether interrogation is impermissibly coercive, and significance of interrogation of Mexican National without notice given of access to Mexican consulate).

Best wishes to you. If you have any questions, please call or write.

Sincerely yours,

Michael Snedeker

Attorney for Appellant
