Second Appellate District, Div. 2

**SIRY INVESTMENT, L.P. v.  
FARKHONDEHPOUR  
(SAEED)**

Opinion filed: Affirmed in part, reversed in part

The Court of Appeal's judgment is affirmed to the extent it recognized and confirmed defendants' standing to move for a new trial - more precisely, a new judgment hearing - on the ground that the trial court committed errors in law when awarding and calculating damages. The same judgment is reversed to the extent the appellate court declined to read section 496(c)'s words in their full and natural manner, by construing that subdivision to withhold, rather than afford, treble damages and attorney's fees when, as here, property "has been obtained in any manner constituting theft." (§ 496(a).)

We remand to the Court of Appeal for proceedings consistent with our opinion.
