S269831**STATE BAR REQUEST
REGARDING DISCIPLINE
CONDITIONS**

Order: (dispositive)

On July 14, 2021, the State Bar of California requested a standing order from this court authorizing it to treat as amended certain mandatory payment conditions contained in the court's attorney disciplinary orders to ensure full and timely compliance with title 11 United States Code section 525. The request is granted.

Upon notice of the filing of a petition for bankruptcy under title 11 United States Code section 301, 302, or 303, on behalf of an attorney who is subject to a mandatory payment condition contained within a disciplinary order of this court, the State Bar of California is authorized to consider the disciplinary order amended to remove any mandatory payment condition if the underlying debt is dischargeable under the federal Bankruptcy Act (11 U.S.C. § 101 et seq.) and case authority controlling upon the State Bar. The State Bar is further authorized to treat such a mandatory payment condition as reinstated in the disciplinary order if the State Bar subsequently receives notice of a decision by a federal bankruptcy court exercising jurisdiction over the matter that the discharge of the underlying debt was denied or the debt was deemed non-dischargeable. The State Bar of California is further authorized to treat any mandatory payment condition contained within a disciplinary order of this court as satisfied upon notice that the underlying debt has been discharged by a federal bankruptcy court exercising jurisdiction over the matter.

It is so ordered.

Order filed

Appellant's "Application for Leave to Conduct Additional Record Correction Proceedings in the Imperial County Superior Court," filed on June 7, 2021, is granted as follows. The matter of the certification for accuracy of the record on appeal is remanded to the superior court. The superior court is ordered to consider the requests made in appellant's "Supplemental Application . . . to Correct, Complete and Settle the Record on Appeal," except for item VI regarding updating the Clerk's and Reporter's Transcripts cover pages, and to prepare any appropriate corrections and additional materials necessary to creating a record that complies with rule 8.610 of the California

Rules of Court. All corrections and material added to the existing record pursuant to this order must be sent to appellate counsel for the parties, who must promptly review such corrections and material for compliance with this order and, when they have finished their review, inform the superior court either that the record is ready to be recertified for accuracy or that specific further additions or corrections should be made. The superior court is ordered to then prepare all corrections and additional materials, recertify the record for accuracy, and send the corrections and additional materials to this court, with copies to counsel, and to do so by November 29, 2021.
