Petition for review after the Court of Appeal reversed an order revoking probation in a criminal matter and remanded for further proceedings. The court ordered briefing deferred pending decision in *People v. Mitchell*, S277314 (#22-305), which presents the following issue: Does Senate Bill No. 567 (Stats. 2021, ch. 731), which limits a trial court's discretion to impose upper term sentences, apply retroactively to defendants sentenced pursuant to stipulated plea agreements?

Petition for review after the Court of Appeal affirmed a judgment of conviction of criminal offenses. The court ordered briefing deferred pending decision in *People v. Lynch*, S274942 (#22-217), which presents the following issue: What prejudice standard applies on appeal when determining whether a case should be remanded for resentencing in light of newly-enacted Senate Bill No. 567 (Stats. 2021, ch. 731)?

**#24-11 *People v. Cardenas*, S283014.** (H050411; nonpublished opinion; Santa Clara County Superior Court; 113917.) Petition for review after the Court of Appeal affirmed an order denying a post-judgment motion in a criminal matter. The court ordered briefing deferred pending decision in *People v. Hardin*, S277487 (#23-1), which presents the following issues: (1) Does Penal Code section 3051, subdivision (h) violate the Equal Protection Clause of the Fourteenth Amendment by excluding young adults sentenced to life without the possibility of parole from youth offender parole consideration, while young adults sentenced to parole-eligible terms are entitled to such consideration? (2) Whether the first step of the two-part inquiry used to evaluate equal protection claims,

which asks whether two or more groups are similarly situated for the purposes of the law challenged, should be eliminated in cases concerning disparate treatment of classes or groups of persons, such that the only inquiry is whether the challenged classification is adequately justified under the applicable standard of scrutiny?

**#24-12 *People v. Hatter*, S282754.** (B322177; nonpublished opinion; Los Angeles County Superior Court; BA240172.) Petition for review after the Court of Appeal reversed an order denying a post-judgment motion in a criminal matter and remanded for further proceedings.

**#24-14 *People v. Ordonez*, S283045.** (H050253; nonpublished opinion; Monterey County Superior Court; 21CR008104.) Petition for review after the Court of Appeal affirmed a judgment of conviction of a criminal offense. The court ordered briefing deferred pending decision in *People v. *The Supreme Court of California is the state's highest court and its decisions are binding on all other California state courts. The court's primary role is to decide matters of statewide importance and to maintain uniformity in the law throughout California by reviewing matters from the six districts of the California Courts of Appeal and the fifty-eight county superior courts (the trial courts). Among its other duties, the court also decides all capital appeals and related matters and reviews both attorney and judicial disciplinary matters.*
