Summary of Cases Accepted and Related Actions During Week of June 29, 2026

[This news release is issued to inform the public and the press of cases that the Supreme Court has accepted and of their general subject matter. The statement of the issue or issues in each case set out below does not necessarily reflect the view of the court, or define the specific issues that will be addressed by the court.]

The California Supreme Court has announced that no cases were accepted during the week of June 29, 2026.

###

The Supreme Court of California is the state's highest court and its decisions are binding on all other California state courts. The court's primary role is to decide matters of statewide importance and to maintain uniformity in the law throughout California by reviewing matters from the six districts of the California Courts of Appeal and the fifty-eight county superior courts (the trial courts). Among its other duties, the court also decides all capital appeals and related matters and reviews both attorney and judicial disciplinary matters.
